RE: Capital Project Update

LONG-LEAD ITEMS

The long-lead items have arrived and been installed. The following two pages include pictures of the main lobby, main office, and the display cases on both sides of the concession stand which had long-lead items completed.

SUBSTANTIAL COMPLETION

The Capital Project is now substantially completed for all contracts. There are some items on the punch lists to complete; however, they are minor in scope. In part they include:

- ADA Door Openers for the Business Office and 1st Floor Bathroom
- Upo Flooring Reapplication of Adhesive Outside Cafeteria Door
- Vacating and Returning Room 106 to the District
- Main Office Bench Replacement

CLOSEOUT

We are in the process of closing out the project and getting all of the regulatory paperwork completed to submit to the State. All change orders have been completed.

BONDS

We continue to work with our financial advisors to prepare for the bonds to be issued and we anticipate going out for permanent financing in June.

MAIN LOBBY

MAIN OFFICE

DISPLAY CASES – CONCESSION STAND
