

# MILFORD CENTRAL SCHOOL DISTRICT

ACADEMIC EXCELLENCE SINCE 1927

## MISSION

Milford Central School prepares students for life and the world beyond school through high quality, diversified and engaging educational experiences.

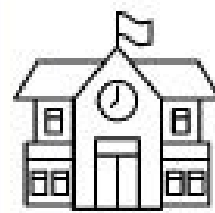

## VISION

Milford Central School is a district where all children are welcomed and valued in an environment where they can learn and grow as critical thinkers and global citizens.

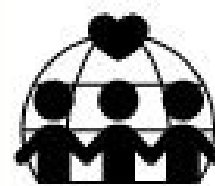

## GOALS

MCS will provide all students with equitable access to experiences and educational opportunities that cultivate student engagement, accountability, safety and well being.

MCS will develop essential skills at each grade through an engaging and rigorous curriculum and the support of a highly qualified staff and an invested school community.

MCS will research and study methods to reach all members of the community within district to ensure they are informed and offered opportunities to engage with the school community.

## VALUES

Act with integrity.

Hold ourselves accountable.

Foster trust with all members of the school community.

Focus on a commitment to learning for all.

Demonstrate kindness and respect.

Be thoughtful and collaborative.

Engage students and embrace their voice in our decision making.

Support individual self-care to support both physical and mental health.
